

As you will know, last September Rutland County Councillors voted to introduce a £35 charge for green bin collections, starting from April this year.

In the next few days all eligible households will receive a letter inviting them to sign up for the chargeable service from Monday 22nd January.

Residents will be able to sign up online, over the phone, or in person at the Council's offices.

The link to the website for registrations and further information is as follows:
