

## **PARKING IN RYHALL ROAD CASTERTON COLLEGE**

The issues at the moment are as follows:

1 The cars parking from the village up to the college.  
(Including on the pavement.)

2 Cars around the front of the College

3 The crossroads at the bottom of our road.

I have discussed this with the police they have suggested we ask you to support having non stopping zones. This would be on the road leading to us then the traffic would flow.

The council have given us ideas however it would mean redesigning the front of our College, this would take money we do not have.
